**R**esurgence is a group exhibition, which examines the ideas of environmental degradation and the uncertainty and anxiety that surrounds us all today. Participating artists include Apnavi Mankanji, Aaditi Joshi, Clare Arni, Nibha Sikander, Parag Tandel, Ronny Sen, Sameer Kulavoor, Savia Mahajan, and Soghra Khurasan. The online show is being organised by TARQ, an art gallery in Colaba, with the intention of re-engaging with the existing practices of the artists and understand the meaning of the works given the current state of the world.

The exhibition is on till May 3. **Visit:** [www.tarq.in](http://www.tarq.in)
